

Call for papers: Data Envelopment Analysis Journal

Data Envelopment Analysis Journal

Special issue on

Measurement of Performance in Emerging Economies and New Leaders

Guest editors:

Ali Emrouznejad, *Aston Business School, Birmingham, UK*

Subhash C. Ray, *University of Connecticut, Storrs, CT USA*

Nurhan Davutyan, *Kadir Has University, Istanbul, Turkey.*

LI Yongjun, *University of Science and Technology of China*

We invite high quality papers on Data Envelopment Analysis (DEA) for a special issue of the *DEA Journal* on measurement of performance in Emerging Economies and New Leaders. The aim of this special issue is to publish state-of-the-art empirical research using the DEA methodology for evaluating performance in addressing problems including (but not limited to) productivity, physical infrastructure, management of natural resources, education, employment, health care, competition in different sectors, as well as regulation/reform.

Manuscript Preparation /submission:

Please refer to the Journal Information and Instructions for Author about manuscript preparation: <https://deaj.info/submission-instructions>

Notes for Prospective Authors:

Submitted papers should not have been previously published nor be currently under consideration for publication elsewhere.

Reviewing:

Submitted papers will be peer-reviewed in the same manner as any other submission to a leading international journal. The major acceptance criterion for a submission is the quality and originality of the contribution.

Indexed in: Cabell's International, Google Scholar, EconLit/JEL, Electronic Journals Library, RePEc/IDEAS, Ulrich's. We plan to apply for other indexes such as SSCI and Scopus when we have built up the history to be eligible.
